KRISHNA NURSING & PARAMEDICAL INSTITUTE

DIPLOMA IN GENERAL NURSING & MIDWIFERY

ADMISSION BROCHURE - 2014

PLOT NO. 2, 1, RANA PRATAP MARG, LUCKNOW-226001
Managing Trustee's MESSAGE

The Krishna Nursing and Paramedical Institute has made tremendous progress since its inception in September 2009. The Institute has grown not only in terms of its students, staff but also the facilities offered.

The institute envisions a place for itself amongst one of the leading institutions in the country offering Nursing Courses. Seeing the hard work, dedication and commitment of the entire team at the institute I’m sure that the dream would surely be fulfilled.

I wish that year 2013 proves to be yet another milestone in the journey of the institute. I also wish all the new entrants of the batch 2013 an enriching experience ahead.

(Dr. Chandravati)
FROM THE DIRECTOR'S DESK

My association with Krishna Nursing and Paramedical institute is as old as the Institute itself. The close association with the students & staff has helped us develop an insight to deliver a curriculum that provides comprehensive theoretical understanding along with practical exposure & hands on experience as well. Our Institute's innovative teaching approaches, participative culture and academic rigour are helping us to equip students with the latest knowledge and skill.

The Institute motivates all to think beyond the classroom and explore each aspect of the subjects being taught. This would not have possible without the unsaying support of the staff members and the cooperation of students.

I welcome yet another batch of G.N.M. Students to the institute.

April 2, 2013.

(Dr. Tejal J Chaturvedi)
1. Establishment

The Krishna Nursing and Paramedical Institute was established under the order of the Uttar Pradesh Government, Department of Medical Education - 3 No. 1609/71-3-08-Nvide their letter No. 02/Jun/2009-INC dated June 15, 2009. Since March 2010 the Institute is a part of the Krishna Educational Foundation, Lucknow.

The institute is a sister concern of the Krishna Medical Centre, a centre well known for its excellent Medicare facilities. The institute has all the necessary infrastructure for running the course. The institute has all adequately equipped clinical labs along with a computer lab complete with latest computers.

2. Location

The Institute is situated in the heart of the city of Lucknow. It is nearly 7 Km. from the Lucknow main Railway Station and the Alambagh main Bus Stand. In its East is the Moti Mahal lawn and in West is the Hotel Clarks Avadh. The Institute is located just behind the K.D. Singh Babu Stadium.

3. Infrastructure

The Institute is the sister concern of the Krishna Medical Centre, a Centre well known for its excellent medicare facilities. The Krishna Medical Centre has been rendering unmatched services in the field of Obstetrics and Gynecology mainly and also has other important specialities including Neurology General Surgery, Pediatrics, Opthomology, General Medicine etc. The Centre also proposes to extend its services in the field of Orthopedics, Oncology, etc. The Centre is well equipped with the state of art infrastructure to provide best medicare facilities.

The Institute’s New Campus was inaugurated by Hon’ble Justice Vishnu Sahai, on March 3rd, 2012. The new campus of the Institute has all the necessary infrastructure which presently is not available in other Nursing Education Centres or Institutes in Lucknow. The institute has adequate laboratories with all the required equipments & apparatus. The Library has more than 1100 books both in Hindi & English on various subjects. The Institute has spacious and air conditioned classrooms with latest teaching aids to facilitate learning. The Institute undertakes every year educational visits to places like Dairy Plant, Sewage Treatment Plants etc. The Institute has also affiliations with Nur Manzil Psychiatric Center and Dr. Ram Manohar Lohia Hospital for clinical experience.
4. Aims and Objectives
The Institute is established with the following aims and objectives:

4.1 To strive towards excellence in all sphere so that the nation constantly rises to the higher level of achievement.

4.2 To create the Institute of excellence to provide high quality training and education from Diploma to Degree Courses and also Research.

4.3 To provide excellent assistance to the medical world.

4.4 To produce best nursing and paramedical fraternity having human values.

4.5 To provide manpower in the scarcity zones within and outside India.

4.6 To render best services to the weaker sections of society of urban and rural population.
